

School Vision Update

We have been updating our School Vision with Governors, Staff and children. We have formed our key thoughts into this poster which you will see around school

Water Safety Code

Attendance

Class	%
FKW	98.7%
6RW	96.6%
3SE	95.7%
4VG	95.5%
4JS	95.3%
FDJ	95.2%
5LG	95.2%
4ER	95.0%
2KM	94.7%
6SW	94.6%
2CW	94.0%

KEY	
100%	PERFECT!
>97%	AWESOME JOB
>95%	GOOD
>94%	ALMOST THERE
<93%	NEEDS MORE WORK

Well done to all classes in green. Lots of exciting things happening in school so let's hope for fantastic attendance for the rest of the term.

There are many dangers with water, which can include:

- It can be very cold
- There may be hidden currents
- It can be difficult to get out (steep slippery banks)
- It can be deep
- There may be hidden rubbish, e.g. shopping trolleys, broken glass
- There may be no lifeguards there
- It is difficult to estimate depth
- It may be polluted and may make you ill

Stay together

- It is always better to go to the water with a friend or family member
- Children should always go near water with an adult
- An adult can point out dangers or help if somebody gets into trouble.

Float

If you fall into the water unexpectedly – float until you can control your breathing. Then call for help or swim to safety.

Call 999

You may be able to help yourself and others if you know what to do in an emergency.

If you see someone in difficulty, tell somebody, preferably a Lifeguard if there is one nearby, or go to the nearest telephone, dial 999, ask for the Fire Service at inland water sites and the Coastguard at the beach.

Stay safe and enjoy the sunny weekend!

Mrs Hunt
Interim Headteacher

Lost Property

Make sure that you check Lost Property if your child has lost any clothing. It is now located in the old school entrance at the top of the car park.

Water Safety

Having fun in the sun during the summer holidays often includes water, be it in a paddling pool, Lido, villa pool, lake, river or the sea. Please see the advice below.
