

Welcome to Year 5

Hello future 5RW!

My name is Mrs Wadsworth (as you already know!) and I will be your Year 5 teacher. I am very excited to welcome you back into my class family and teach you lots of new and interesting things. Although we're already familiar with each other after spending a super year together in Year 3, I can't wait to get to know you all again – I'm sure you have grown and changed lots and it's lovely that we will be able to pick up right where we left off.

See you soon!

All about me:

Firstly, I adore creatures of all kinds – right from tiny little insects in my garden, to magnificent African and Asian elephants in the Middle East. I love learning about them and discovering ways to support those who need our help. I enjoy fundraising and donating to charities and sometimes volunteer at the local RSPCA shelter. I have two beagles: one is called Nyla who is 3 years old and the other is called Monty (you can see them in the picture!). We're unsure how old he is because we rescued him from Cyprus a couple of years ago, but we think he is about 5. I also have two chinchillas called Billy and Chip, who, at 10 years old, are older than you!

My favourite subjects are: Read and Respond and History. I also love Story Time and I can't wait to read the most amazing novel with you next year – I'm going to keep it secret for now though! I like bright colours, such as: orange and pink, as they make me feel happy. I really enjoy walking in the countryside and being outside surrounded by nature...followed by a hot cup of coffee!

Next Year:

I am super excited to teach you again next year! School may look a little different in September, but both me and Miss Hall, and the Year 5 team, are here to support you and make you feel as happy and settled as possible.

We study lots of new and exciting topics next year such as: the Ancient Greeks, Space and even the Amazon Rainforest (plus many more!). Of course we still have our theme days for Art and French and our wonderful residential to look forward to too! Yippee!

Before you come back to school, I would love it if you could design a bookmark which you can then use to save your page in all the wonderful books you will read. The bookmark needs to have your name on it somewhere, but apart from that, you can be as creative as you like. Bring it in on the first day back in September and we will laminate it for you so it lasts all year. This is your chance to show off your amazing artistic talents, so really try your best and take lots of care with your design techniques. I can't wait to see you all (and your wonderful bookmarks!) very soon!
