

Attendance

Please remember that good attendance is very important. Even if your child is feeling 'under the weather', they should be coming to school. Every day counts!

School Survey

We would really appreciate your views about Sandal Castle School. Next week you will be receiving a link to complete an online parent questionnaire. Thank you so much.

School Uniform Name Label

Please remember to add names into all of your child's clothing labels. This will significantly reduce the chances of items getting lost. Don't forget to check these after wash days!

Toy Request

Do you have any spare toys that you could donate to our school? We would be so grateful to receive any good quality board games or suitable toys for our After School Club. If you do have any to donate, please speak to Mrs Butterworth about it.

PE

Please remember that your child should wear their PE kit (rather than their uniform) on PE day. Please confirm your child's PE day with the Class Teacher.

Music Lessons

Our Year 3 and 4 children really enjoyed watching the Wakefield Music Service band play on Thursday afternoon. There are now opportunities for your child (Year 3 upwards) to learn to play an instrument (violin, keyboard, drums, trumpet, flute, clarinet) on a weekly basis by a private music teacher. This would be £73.00 per term. If you are interested in this, please collect a form from Mrs Butterworth.

Collecting Children From School

Many thanks for your patience when collecting your Years 3-6 child at the end of the day. We appreciate that it is not yet a perfect system and will aim to resolve this quickly. We will send you a message by Parent Pay ASAP with the plan.

A Big Thank you

I would like to thank you for your wonderful welcome this week. It has been fantastic to meet you at the beginning and end of each day and hear all your lovely comments. I look forward to working with you in the future, to support Sandal Castle Primary in the journey to becoming even greater!

Water Bottles

Please remember to send your child to school with a named water bottle. This is especially important during the hot weather. Children in EYFS will have a water bottle provided.

Kind Regards
Mrs C Butterworth
Headteacher
