

### School Vision Update

We have been updating our School Vision with Governors, Staff and children. We have formed our key thoughts into this poster which you will begin to see around school

### Football Success

Our football team won their match on Thursday 5:2 against a local school. Well done to all the players and the adults who work hard to support them!!

Enjoy the sunny weekend!

Mrs Hunt  
Interim Headteacher

### Attendance

The whole school has achieved 93.45% attendance this week. The National Average is 93.7%. With a little effort we can surpass this next week.

### School Lunch Price Increase

We have been informed by our catering provider that there has been an increase in meal prices. The increase is due to the increasing costs of food, energy and staffing.

Unfortunately, due to the above, the cost of a pupil school dinner has increased to **£2.47** as from the 05 June 2023.

We hope that you understand the reasons for the increase and continue to appreciate the value of the school meals and the nutritious benefits that they provide.

### Lost Property

There is a mountain of Lost Property at the old entrance of school. If your child has lost anything, please check there.

Please see the table opposite for upcoming events in school.
