

Welcome to Year 2NG

Hello!

My name is Miss Grannon and I will be your Year 2 teacher. I am really looking forward to seeing you all in September. I've got many exciting learning activities planned for our class and I'm sure you're as excited as I am to start our Year 2 journey together. It will be a great adventure at a time when your brains are at their very best for learning! I will support and encourage you with your learning and help each and every one of you make the best of you! Most of all, I want for us all to feel happy and safe in our lovely school so we can have fun with our learning and feel proud of ourselves and all that we will achieve.

I can't wait to see all your smiley faces and get to know you more throughout the year.

All about me:

My favourite foods are pizza and pasta. I love Thai and Indian food too. I enjoy going on holiday and visiting different countries. One of my favourite places is Italy because I like the lovely views -and the pizza of course! I also love Italian gelato (ice cream)! When I was your age I lived in Cyprus and enjoyed swimming in the sea -I still do!

My favourite colours are yellow, green and coral. I have a beautiful coral coloured dress that I like to wear for special celebrations. I also like thin scarves and you will often see me wearing one in school, especially in the winter months when it starts to get cold.

Apart from my love of food, I enjoy doing yoga and like going for walks with my family. I also love reading stories and can't wait to have our first story time together as a class! In the summer, I love to spend time outside in the garden. This year I planted lots of vegetables, my favourites at the moment are rainbow radishes!

I like watching documentaries about people and wildlife. I enjoy relaxing with a hot chocolate and a film when it's rainy outside although I can be seen splashing in puddles with my little boy sometimes!

Next Year:

I can't wait to fill the classroom walls with all your wonderful work so I need your help. I would love you to do an A4 size self-portrait of your smiling face. You don't need to draw your body, just your face, neck and shoulders. You can use crayons, coloured pencils, paints, etc. It's up to you how you decide to make it colourful. Then you can write three things you're looking forward to when you come back to school. Bring your fantastic work in September and I'll get it straight up on the wall.

I look forward to welcoming you all to 2NG and seeing each other face to face but until then, stay safe and enjoy the rest of the summer.

Best wishes,

Miss Grannon
