

Welcome to Year 5

Hey!

My name is Mrs Greaves and I am going to be your Year 5 teacher.

I am really excited to move up to Year 5 with you all and I know we are going to have a great, fun year together.

I know many of you from Year 4 but I am looking forward to getting to know you all better and cannot wait to welcome you all back in September.

All about me:

I love most animals (I am terrified of snakes, I even get scared seeing them on the tele)! I have two dogs, Molly and Gus. They are the best and Gus is very cheeky! He loves rolling down the hill when we go walking by the reservoir.

I really enjoy watching films and reading books. I sometimes turn off my phone and will read a full book in a day! Marvel films are probably my favourite particularly Avengers. My favourite superheroes are Thor and Spiderman.

I am really looking forward to our new Read and Respond book, it is one of my favourite subjects to teach and I cannot wait to hear all your thoughts and opinions. I also love Story Time and sharing some wonderful stories with you. Have you read any amazing books you

Next Year:

I am really excited to teach you next year! School may look a little different in September, but Mrs Kitchen and I are here to support you and make you feel as happy and settled as possible. We will have a fantastic year together and have lots of fun.

We study lots of new and exciting topics in Year 5. We will have great fun exploring topics such as Ancient Greece, Space and the Amazon Rainforest! We will get creative on our Art theme days and continue to develop our French further. We also have our exciting residential trip to look forward to!

Before you come back to school, I would love it if you could design a bookmark which you then use to save your page in all the wonderful books you will read. The bookmark needs to have your name on it somewhere, but apart from that you can be as creative as you like. You could include some of your favourite things. Bring it in on the first day back in September and we will laminate it for you so it lasts all year! You can show off your artistic talents so try your best and be creative! You may want to practise before a few ideas before the real thing. Good luck!
